Report 6 IYA2009-Sri Lanka

***May**

Will be updated soon.

***June**

1) Astronomy Program - Richard Pathirana College

Astronomy Program - Richard Pathirana College

Richard Pathirana College in Galle held organized a program to make the students more aware of a subject like astronomy. The program was conducted by two members of Astronomy & Space Study Center.

Age group: Grade 6 to Grade 9.

Conductors: Mr. Pulasthi Kanaththage.
Mr. Prasanna Deshapriya.

Program:
Introduction to Astronomy
Eclipses – lecture
Introduction to IYA2009
Discussion

Summary:

The introduction to Astronomy lecture was delivered by Mr. Pulasthi which was followed by a lecture – Eclipses – by Mr. Deshapriya. The Eclipses gave an idea to students, the difference between Solar and Lunar and also mentioned the upcoming Partial Solar Eclipse visible to Sri Lanka on 22nd July. The conductors also gave an introduction to IYA2009 and its importance. The program concluded with a discussion, giving all the participants to get their “long waited” questions answered.
